COOKIE POLICY

Cookies are text data that are stored in the user's browser and are intended for use by websites/web pages.

We use cookies to offer you a better and personalized internet service. The data stored by the cookies that the website uses never show personal information from which the identity of a subject can be established.

Varna Data Center Ltd. (Supplier) uses cookies to improve the presentation of information and functionality of the site and to provide optimal services to users.

Cookies are generated and used by the Supplier, with the exception of those generated by Google, for the purposes of Google Analytics.

Cookies are:

> • Necessary for the proper functioning of the site or for a certain functionality that the user wishes to use.

> • Functional - allow us to offer additional options for using this website. The information obtained from functional cookies is not shared with third parties.

> • Contain technical, non-personalizing information about the device you are using (browser type and version, operating system, window sizes, display resolution, supported technologies, etc.). This information allows us to display the content of this page in a qualitative and adaptive manner.

> • Enable the use of the "Favorites" service, through which you can save favorite pages from the site in a personal list.

> • Enable the use of the "History" service, through which you can review the pages of the site that you have visited.

> • Temporary - placed during the stay on the site (session). They are deleted when the session is terminated.

> • Persistent - remain on the user's device for a certain period or without an expiration date.

> • Statistical/Tracking Cookies: These cookies are used to track the pages you visit on http://varnadatacenter.com/en/ .

The information we store does not contain personal information. The data is used for statistical and analytical purposes that enable us to offer better services to our users.

The Supplier uses Google Analytics for statistical purposes. The statistical information shared with Google does not contain personal and/or other personalizing data. For more information, see Google's privacy policy.

Terms of Use

Using http://varnadatacenter.com/en/ (browsing pages and clicking on links from the site's content) means that you agree to the Supplier's cookie policy.

If you wish, you can disable the use of cookies from your web browser settings, but this may limit some functions or part of the content of http://varnadatacenter.com/en/.

For more information about cookies, you can visit www.allaboutcookies.org or take a look at www.youronlinechoices.eu, which contains more information related to preference-based advertising and online privacy.
